

Office of the National Public Auditor (ONPA) Welcomes Makereta Dyer

On January 07, 2022, ONPA welcomes the new Audit Supervisor, Ms. Makereta Dyer. During a welcoming luncheon at Island Palm Restaurant, the National Public Auditor, Haser Hainrick expressed his gratitude towards Ms. Dyer and her dependent for agreeing to travel to the FSM during these challenging times. Due to the travel restrictions and protocols, the travel from Fiji to FSM lasted a total of 100 days, of which 44 days were spent in quarantine. ONPA acknowledges the FSM and Pohnpei State governments for including her and her family in the repatriation

flight on December 01, 2021.

Ms. Dyer was formerly with the Office of the Auditor General, Fiji and brings with her valuable knowledge and experience in Financial Auditing which she will contribute to the ONPA. She had started her services with the ONPA in August 2021, on a virtual basis and has since been learning and working with the staff on various projects. To finally have her on island is a blessing to the Office.

The ONPA wishes Ms. Dyer and her family the best in their stay at FSM and their services to the ONPA and our nation.
