

## ONPA picnic welcoming its newest Audit Supervisor and Audit Manager

---

Following the onboarding of our new Audit Manager and Audit Supervisor in April and May, ONPA held a welcoming picnic for the new staff on May 31st, 2024 from 12:00pm to 5:00pm at the NettPoint swimming spot.

The picnic started with a few words of welcome and appreciation by the National Public Auditor, who pointed out the purpose of that picnic and his appreciation to all staff for their hard work ensuring the day to day operations are carried out accordingly.

The informal half-day event also served as a team bonding opportunity for all staff especially while sharing some very delicious foods. As part of our Human Resource strategy, fun moments like this improves staff morale and adds up to the value of life. That being said, it also gives the employees an opportunity to strengthen the relationships with co-workers.

Welcome aboard Manager Sireli and Supervisor Stephanie!
