On March 18, 2025, a meeting was held between Mr. Haser Hainrick, National Public Auditor, and Mr. Jack Wenye Diao, the Financial Management Specialist from the Asian Development Bank in Manila, who was accompanied by Ms. Maybelline A. Bing, Principal Country Officer from the ADB office based in Kolonia, Pohnpei. Important exchanges were made to understand ONPA's mandates and work programs, and for ADB to better gauge how it can provide support and assist to build capacity for the office. There was a mutual agreement to continue the discussion and to find ONPA as a willing partner to assist the ADB with its auditing needs given its current and growing project portfolio in the FSM. It was a real pleasure meeting Mr. Diao and Ms. Bing and welcoming them to ONPA in Palikir.
