

ONPA Courtesy Call on Governor of Kosrae

On Tuesday, February 25, 2025, ONPA staff auditors Neong U. Yoma and Reed Floyd paid a courtesy call on the Honorable Tulensa Palik, Governor of Kosrae State, before commencing fieldwork site inspections. ONPA is much obliged for the opportunity and for the earnest support offered. Feedback from the island states is imperative and beneficial as it reinforces our working relationship.

Pictured above are Honorable Governor Palik and his Chief of Staff, Mermina Mongkeya, (former ONPA auditor) with the team.
