

FAREWELL!!

Ms. Christina Elnei

Ms. Christina Elnei (Chris) joined the Office of the National Public Auditor (ONPA) as an Administrative Officer on December 13, 2004. It was a happy occasion for the ONPA team to welcome Chris. In May 2007, she became the Single Audit Specialist, a position which she has held and served brilliantly. Working with ONPA for almost six (6) years has made Chris a great asset in many things and she has contributed tremendously in both the Administration and the Single Audit units. It was with great sadness for the ONPA team to bid Chris farewell on December 3, 2010. Chris has been given a new employment opportunity with the Micronesian Shipping Commission in Kolonia, which she thinks offers a greater potential for growth in her career development. Although Chris will be missed, the ONPA team wishes her the best throughout her next career.
