

ONPA's New Single Audit Specialist

New Single Audit Specialist, Clayton Eliam, brings his educational background and 3 years of related work experience into the Office of the National Public Auditor (ONPA) at Palikir, Pohnpei.

ONPA announces the recruitment of Clayton as the new Single Audit Specialist on February 20, 2012. Clayton will be assisting the Public Auditor in monitoring and coordinating all matters pertaining to the FSM annual single audits for the five (5) governments and their component units, assisting the Public Auditor in facilitating FSM's performance in resolving questioned costs and audit findings, liaising with the contracted CPA auditors, and in performing other duties as assigned.

The Public Auditor and staffs are happy to have Clayton on board, and they trust that he will enjoy his new journey with the team/ ONPA family. Clayton said that he is also pleased to be working for this office and the staff.

Clayton graduated from the University of Hawaii, Hilo, with a bachelor's degree in Economics. He has a three (3) years certificate in Accounting and an associate of arts degree in Business Administration from the College of Micronesia, FSM National Campus. His relevant work experience includes Administrative Specialist at College of Micronesia-FSM National Campus from December 2011 to February 2012, and Assistant Comptroller at FSM MiCare Plan from February to May of 2008.

Having Clayton joins ONPA team can help the office become more effective and efficient in moving towards its office's goals to better serve the community.
