

## **Hiring of Dacy Pelep as a New Investigator**

The ONPA is happy to announce the hiring of Ms. Dacy Pelep as a new investigator at the main office in Palikir, Pohnpei. The ONPA team warmly welcomes Dacy and trusts that she will enjoy the challenges and rewards of her new job as well as the staff at the office. Dacy officially started working on September 17, 2012.

Dacy, a citizen of the Federated States of Micronesia from the State of Pohnpei, completed her four year studies and received her bachelor's degree in Criminal Justice from Missouri Southern State University in December of 2011.

Prior to joining the ONPA, Dacy first worked with Marstella E Jack Law Firm as an Office Assistant. She did her internship with Neosho Probation and Parole Office, making recommendations on remedial actions or initiating court actions in response to noncompliance with the terms of probation parole.

Dacy expresses great joy and appreciation in joining the ONPA and looks forward to a rewarding experience as she began her tour as an investigator at the Compliance Investigation Division in Palikir.
