

## FSM OPA CONDUCTS COMMUNITY SERVICES ON IOHL ROAD

A trash-a-thon was conducted by the FSM OPA staff in the afternoon of February 23, 2011 on the road going towards Pohras and Iohl. The purpose was to demonstrate team work and at the same time assist in keeping the environment clean for the benefit of the public. As Public Auditor Hainrick stated, “it was an awesome display of working together with team spirit and with lots of fun along the way.” The route was a familiar walking track for the ONPA staff as they’ve been doing their physical fitness program walking the route three times a week (Mon/Wed/Fri) at 4:30pm. The route starts from the OPA Office all the way to the sakau market located on the hillside of Pohras.

Some community members assisted along the roadside filling out trash bags with cans, bottles, plastics and etc. The efforts undertaken by the staff was tremendous, which demonstrated voluntary team work to help keep the environment clean and healthy.

Public Auditor Hainrick extended his appreciation to all who participated in this very important event.
